ENTERING ARTWORK IN THE SALON

**Eligibility Requirements**

The Salon is open to all Professional and Student members of the AMI. Members are limited to two entries per person. This year companies and institutions will be allowed to submit entries under the company name. A professional member of the AMI, who is employed by the company/institution, must act as representative and submit the entry. Awards for this new type of entry will be given in the company name, not in an individual's name. Salon Judges may enter artwork in any category with the exception of the categories that they are judging. Judges may also display pieces in the Judges' Corner which will not be judged or eligible for award. (Digital files and descriptions on the display labels are not needed for pieces displayed in the Judges' Corner.)

Artwork must be an original creation of the AMI member or company submitting the entry form. Work created by multiple illustrators (such as books or animations) should have each AMI Member artist credited on the Salon Entry Form. Contributors who are not AMI Member artists may be credited but may not be considered the primary entrant and are not eligible for award. In the categories of Animation and Interactive, which are often collaborative efforts, professional AMI members who have acted in a producer capacity may enter on behalf of their production company or they may enter as a single illustrator, whichever is more appropriate.

ARTWORK PREPARATION FOR TRADITIONAL CATEGORIES

General Guidelines
• All artwork for the Salon MUST BE submitted as a digital print, except for the Fine Art category.
• All artwork MUST BE SMALLER THAN 20” x 24”, including mat, because of the limited mount board size for the Salon. Illustrations too large, too cumbersome or too heavy to be safely hung will be excluded from the Salon.
• Framed artwork will not be accepted in any category with the exception of Fine Art. The AMI will not assume responsibility for any damage to framed fine art entries.
• Multiple views may be mounted or matted together as a single entry.
• Each entry must be matted or mounted with FIRM BACKING (for example, foam core) with the front mat firmly adhered to the backing on ALL four sides of the image. An acetate covering between the mat and the artwork is required for protection. DO NOT USE SHRINK WRAP. Any artwork damaged in transit will be excluded from the Salon.
• For entries to be displayed on exhibit panels, please attach six 3-inch Velcro hooks - three on the top and three on the bottom edges of the backside of the piece as shown below. Please use only the rough (hooked) side of the Velcro, not the fuzzy side.

Supporting Items
In order to be considered complete, each entry must be accompanied by

• Salon display labels - this is what will be placed next to your piece(s) for people to read and for judges to review.
• Artwork identification label, firmly adhered to back side of art
• Please upload your electronic files (i.e., jpgs for awards presentation, web gallery, web thumbnail) to the salon ftp site when you fill out your online entry form or return to www.mtnreg.com/AMI in order to upload them at a later date. Please do not mail digital files on CD.
• The Salon Permission Form must be filled out for each entry. Please complete this online at www.mtnreg.com/AMI.

Note: Salon registrants will not receive an artwork preparation kit with their registration confirmation. All required supporting documentation must be downloaded from this website.

Salon Display Labels
Display labels will be produced by Salon entrants using the interactive Salon Display Label PDF files for traditional entries (example shown below). Entrants should download the appropriate template, fill it out completely and print it onto HEAVY PAPER (card stock). Trim label to heavy black line and permanently mount on sturdy board with strips of Velcro, at top and bottom on back side. This will be the actual label that is displayed with your artwork. Your completed Display Label should be enclosed in an envelope and taped to the back of your artwork with low-tack drafting tape (see Placement Diagram below), so that it can be easily removed by the Salon Hanging Committee.

Click here to download a PDF version of the Salon Display Label for traditional media.
Note: This form is interactive but must be printed out after you complete it. Acrobat (full version, not reader) is needed in order to SAVE a digital copy of your completed form for your personal files.
Salon Display Label Glossary of Terms:

- **Company/Institution**: The name of the institution or firm by which you are employed (NOT the client for whom the work was prepared) or in the case of self-employment, your own company name.

- **Medium/Software**: Art media or instruments used in rendering the image (for example, watercolor, gouache, acrylic, airbrush, ink, flexible or technical pen on paper, illustration board, film, etc.) If the image was rendered on the computer, the software used should be specified (Photoshop CS4, Illustrator 10, etc.). If the artwork combines both traditional and computer media, then both should be described (for example, Graphite on Bristol/Photoshop).

- **Final Presentation Format**: The form in which the artwork is to be presented to or utilized by its audience (for example, PowerPoint slide, courtroom graphic, print ad, journal cover, etc.).

- **Primary Audience**: Those to whom the content of the visual image is intended to be communicated (for example, medical students, surgical residents, research scientists, patients, general public, etc.).

- **Intended Purpose**: A concise statement of the communication problems that the visual image solves. What is the message or story being told?

*Note to Student Entrants*: Students must also fill out an Intended Purpose statement for work to be judged. The Salon Judging Committee realizes that student works are intended to solve both technique and content problems. For example, if the assignment was to use wet highlights or wash techniques, then this information is appropriate and should be included in the Intended Purpose section of the Display Label.

**Artwork Identification Label**

An Artwork Identification Label must be completed and affixed to the back of your entry to identify it throughout the Salon judging and hanging process.
Digital Files of Artwork
Entries MUST be accompanied by the appropriate digital files of the artwork. The files will be used for the various reasons listed below as well as for archival purposes. It is understood that the artwork is the sole possession of the artist. No reproduction or use of the files provided will be made without prior written approval of the artist. These files should be uploaded to the meeting registration site, www.mtnreg.com/AMI, preferably at the time of registration.

When multiple entries are submitted in one shipment, please enclose a packing list inside your parcel detailing the contents (number of entries, etc.).

All Flat Art, 3-Dimensional Models, Textbooks and Fine Art entries, complete with labels, are to be shipped to the address below and must arrive no earlier than Monday, July 19 and no later than Friday, July 23, 2010. JUDGING AND AWARDS

Judging
In order to assist entrants in preparing their salon entries and to help with understanding the judging process, the judging forms are available as Word files. There are four types of judging forms, please click below to download them.

- Interactive Judging Form
- General Judging Form
- Book Judging Form
- Animation Judging Form

Awards
The award system for both Professional and Student Salon categories is two-tiered. The Salon jury will determine Awards of Excellence and Awards of Merit within each judged category. Awards of Excellence will be given to artwork that has met the highest standards of the profession, while Awards of Merit will be given to illustrations deserving special recognition of achievement.

The tradition of eponymous awards (e.g. the Russell Drake Award in Medical Line) within certain categories continues. The Ralph Sweet Member's Choice Award and the Muriel McLatchie Miller Fine Art Award are the two awards determined by the popular vote of professional member attendees.

Members of the AMI are encouraged to deposit their ballots for the Fine Art and Member's Choice in the appropriate box in the registration area no later than 2:00 pm Saturday, July 31. Awards for these two categories will be announced at the Awards Banquet that evening.

ARTWORK PICKUP/RETURN

- Artwork may be picked up between 2:00 p.m. and 3:45 p.m. on Saturday, July 31, 2010. Absolutely no artwork may be removed from the Salon prior to Saturday. All entrants must make sure to sign out their artwork with the salon staff before removing the artwork from the salon.

- You are responsible for the manner of return of your artwork following the Salon. If you cannot attend the meeting, you should arrange with someone who is attending to retrieve your art. This person should be designated on the entry form or given a signed authorization note.

- If you cannot attend the meeting and are unable to make arrangements to have your artwork picked up, you must enclose a completed (pre-paid account), self-addressed Federal Express/UPS/or other freight carrier return shipping label with your entry and send your entry in packaging that can be easily reused for the return.
• Artwork not retrieved by the entrant or his/her designate and lacking a pre-paid, self-addressed return shipping label, will NOT be sent back to you.
